This e-mail communication is a document (**Document**) provided by Diogenes Research Pty Ltd ACN 110 788 497. AFSL No. 297 298. Pup Research is a registered business name of Diogenes Research.

This Document has been prepared as a private communication solely for the personal use of the immediate recipient as a wholesale client and subscriber to services provided by Pup Research (**Services**) on or about the date it bears. This Document is subject to the Terms of Use, Privacy Policy and Disclosures on our website: www.pupresearch.com.au

If you are not the intended recipient of this Document, please delete and destroy all copies in your possession, notify the sender that you have received this Document in error and note that any review or dissemination of, or the taking of any action in reliance on, this communication is expressly prohibited.

This Document is subject to copyright. No part of this Document may be shown, distributed or otherwise published or communicated to third parties or reproduced or transmitted in any form or by any means without prior written consent of Pup Research.

Any financial product advice in this Document is general advice intended for wholesale clients as defined in section 761G of the Corporations Act 2001 (Cth) who subscribe to the Services and does not take into account the objectives, financial situation or needs of any person. It is not intended for retail clients or non-subscribers. You must not rely on any general advice in this Document to make an investment decision without considering its appropriateness in your own circumstances. Past performance is not an indicator of future performance. No guarantee is given of the performance of any securities. All investments carry risk and may not perform as well as expected. The price of shares and other securities can fall as well as rise and investors may lose their capital and may not receive anticipated income.

All information provided in this Document is given in good faith by one or more of Pup Research, their respective related bodies corporate, shareholders, officers, employees, representatives, agents, advisers, contractors or consultants including third party research providers (collectively 'we', 'us' or 'our'). All factually based or historic information in this Document has been sourced from publicly available information that we believe to be reliable at the date of publication without having sought to verify the information. All other information in this Document reflects, as applicable, our opinions, beliefs, expectations, recommendations, conclusions, analysis, results of analysis, estimates or illustrations or other views (including as to future matters) where relevant in reliance on the factually based or historic information. Any information as to future matters is indicative only and must not be taken as a prediction, promise, representation or guarantee of such matters as the information may differ materially from the actual circumstances that occur in the future as a consequence of known or unknown risks and uncertainties or the inaccuracy of information relied on (including, in the case of tools for a user to generate information, inputs by the user proving to be inaccurate), any assumptions made or methodologies used.

E-mail messages may contain computer viruses or other defects, may not be accurately replicated or may be intercepted, deleted or interfered with without the knowledge of the sender or the recipient.

To the maximum extent permitted by law: (a) no express or implied representation is made or warranty given by any of us as to the contents of this Document being free from viruses, or as to the accuracy, reliability, currency or completeness or the suitability or ability to predict the future of any information; (b) we disclaim all liability (including

liability arising from negligence) for any direct or indirect loss, damage, cost or expense whatsoever which may be suffered by any person who receives this Document or who relies on anything contained in or omitted from this Document; and (c) we accept no responsibility to update any person regarding any inaccuracy, omission or change in any such information included in this Document nor any obligation to furnish the person with any further information.
